IN PARTNERSHIP WITH
TINGES COMMONS

SENDING A MESSAGE
TO YOUR COMMUNITY

TEXT IT!

We use text messages to communicate quickly and immediately to our family and friends. What if we were also able to do this to a larger audience – to our neighborhood, community, a larger public? What do you want to say to the Better Waverly community? Suggest something important to be painted on the sign board at Tinges Commons! ANYONE can suggest something, each week the sign board will be painted with different words, slogans and phrases suggested by artists, community members, youth, anyone that lives, works or passes through the space. Beginning on April 28th, the sign board will be painted weekly on Saturday afternoon with new text. If your suggestion is selected you will be invited to help paint! The weekly signs will be documented and presented in a scrap book at community events as they happen in Tinges Commons and be uploaded to a project site online. If you are interested in submitting a saying to be considered for painting, please fill out the following:
